Camp Meeting - 2007

July 23, 24 & 25 are three days you will want to mark on your calendar as days of inspiration and encouragement.

I extend to you a personal invitation to attend Camp Meeting 2007. Camp Meeting is always a special time of ministry and illumination. Our theme for this year is : *Show Us The Glory*. It is my firm conviction that the Church of Jesus Christ is about to step into the greatest days of God's Spirit this old world has ever seen.

This year's Camp Meeting will be held at our home church, Rejoice Christian Center in Burnsville. We have been experiencing power manifestations of God's presence during our services at Rejoice. We believe you will be blessed and refreshed in this atmosphere

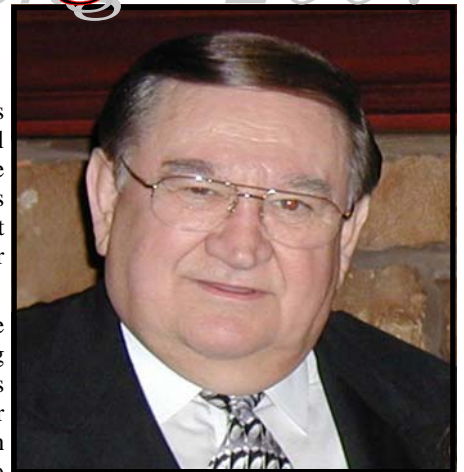

of outpouring.

In this newsletter you will be reading about the various speakers and musicians that will be with us for our Camp Meeting.

There are a variety of lodging and eating facilities near the church for our out of town guests. We also have some nice shopping and entertainment venues for those that want to relax and enjoy the metro area.

We have purposely left time in our daily schedules for opportunities to visit some of the many points of interest our wonderful Twin Cities host.

Please enjoy this

Dr. L. D. Kramer

newsletter and come expecting a powerful anointing of the Holy Spirit as we enjoy Camp Meeting together.

If you have any questions or if we can help you in anyway please call or email us with your questions. Our friendly staff will be

The Bridegroom Cometh...

Preparations by the Groom have been completed; He joyfully awaits the day that marks the remainder of eternity when the Church shall be swept away.

He has created a wondrous place where rows of mansions are perfectly aligned.

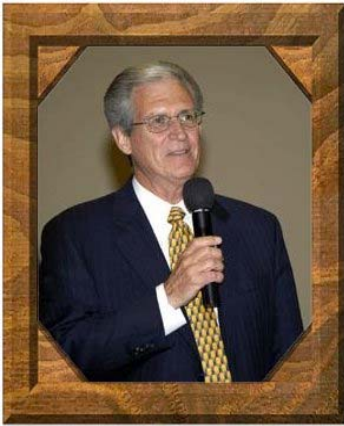

Angels will sing

beautiful songs announcing souls' arrival; including yours and mine.

Despite imperfections of His bride, the Lord daily intercedes with heart felt prayer. The celestial wedding feast shall take place—Have you received your invitation, to be present there?

Evening Speakers:

Dr. Phil Shaw
Minnesota State Pastor
World Bible Way Fellowship

Dr. Phil Shaw...Monday Evening—7:00 p.m.

Dr. Phil Shaw will be the opening speaker for Camp Meeting 2007.

Phil Shaw is a man with a vision. If you don't believe that just go to Rochester, MN and look up New Life Worship Center.

Every aspect of New Life Worship Center cries *V-I-S-I-O-N!* Vision gave the directions to purchase the right piece of property. Vision built the beautiful sanctuary. Vision gave birth to a 120 foot cross tower that looks out over the city of

Rochester. Vision will soon minister to the entire city through radio station KNLW with a positive message of hope.

This is what Pastor Shaw says in his invitation to New Life Worship Center:

WE CARE FOR YOU!

Here at New Life Worship Center, we understand the pressure you face in everyday living. That's why we are a church designed to help people, just like you, discover how to meet the demands and challenges that life throws your

way. We are committed to building families, shaping lives, and loving people. Here you will find excited and friendly people of all ages who are discovering how to get the most out of life.

We hope to see you at New Life Worship Center

Sincerely,
Pastor Phil and Faith Shaw

It is always refreshing to hear a man with a vision. Don't let Dr. Shaw's invitation to *Get Out of the Boat* escape you.

Dr. David Larson
Pastor of First Baptist Church
Independence, Iowa

Dr. David Larson...Tuesday Evening—7:00 p.m.

Tuesday evening at 7:00 p.m. Dr. David Larson, Pastor of First Baptist Church in Independence, Iowa will be ministering.

David Larson is a husband, father, grandfather, recording artist, author, pastor, evangelist—the list just goes on and on. However, the one thing that people in Independence, Iowa know David Larson for is a friend and lover of people.

Before Dave became the pastor of First Baptist

Church he believed that God was done with him in ministry. Dave was successful in business and thought that was where he would stay. Then one Sunday he was invited to preach at First Baptist Church. That's when David Larson became a friend and lover of people in Independence, Iowa.

Dr. Larson saw a need to minister to senior citizens. His ministry to people in assisted housing, nursing homes, hospitals and pri-

vate homes is nothing short of legendary in Independence. This September Dave will celebrate his 8th anniversary as Pastor. Recently Dave did his 101st funeral in Independence. People love Pastor Dave Larson and David Larson loves people.

David Larson can say more in 15 minutes than most preachers say in 45 minutes.

"...God has the plan and purpose for your life already mapped out. In Heaven, the Holy Trinity—God, Jesus, and the Holy Spirit—sat down and decided the direction for our lives even before we were born."

Loretta Blasingame

Dr. Loretta Blasingame
Evangelist/Author

Dr. Loretta Blasingame...Wednesday Evening—7:00 p.m.

Wednesday evening at 7:00 p.m. our guest is evangelist & author Dr. Loretta Blasingame of Dallas, Texas.

For 45 years Dr. Blasingame has ministered around the world bringing a message of healing and hope.

In her newly released book, *Is Anybody Up There?* Loretta gives insight

into: Increasing your Spiritual growth, seeing what God has for you, learning how to overcome and manage difficult situations, experiencing Jesus Christ the Healer & learning about her Heavenly Experience.

Dr. Blasingame's messages overflow with promises from the covenant

God made with Abraham and understanding of the atonement.

Dr. Blasingame will be ministering to any need present during this service. Bring someone that is in need of a healing touch.

Morning Ministries:

Don Kooy...Tuesday Morning—9:30 a.m.

Regional Fellowship Pastors Supporting Pastors Fellowship Theme

Creating Ministry Strategies and Tactics

Our last fellowship meeting emphasis was on the importance of having a ministry plan, what a ministry plan is and how to prepare your plan.

At this gathering we will take the next step. We will work in teams on real ministry case studies jointly developing goals that may be in a ministry plan. After a short presentation and clarification of the specif-

ics of the case study, each team will then work together sharing, discussing and developing meaningful and practical strategies and tactics. This planning session may be used for recruiting, training and positioning others to embrace leadership and training an effective team.

Thinking Together, is critical to your ministry team and the on going growth and development of your ministry. Tangible planning that includes measurable results will bring harmony, fulfillment and joy in ministry.

Our good intentions, even great intentions, many

times never reach our envisioned results because we did not take time to define and plan for success. We all should have a identifiable and transferable plan of action to fulfill our Lord's Great Commission.

Duane Miller...Wednesday Morning—9:30 a.m.

If you're looking for inspiration, encouragement and awesome faith, you need look no further than Duane Miller.

Duane is genuine, compassionate, forthright, and has a personal testimony that is a living illustration of forgiveness and miraculous healing.

In 1990 a severe virus had infiltrated the nerves of Duane's vocal cords - a condition medical experts say to this day should have left him

mute. But God had other plans. As chronicled in his book, *Out of the Silence* (Thomas Nelson Publishers, 1997), Duane's voice suddenly and astonishingly returned in January of 1993. His testimony and moving story of endurance remains a powerful reminder of God's sovereignty.

Duane also assists faith-based organizations through his business plan Keystone Concepts.

Keystone Concepts assists faith-based organizations in defining and fulfilling their vision by providing professional business planning and access to financial resources often beyond the immediate donor base. Helping your Organization to successfully conceptualize its identity is a "Keystone." If you have some projects that have not gotten off the ground perhaps Keystone Concepts can help.
